Answer the call with the **GROUND AMBULANCE CASE**

The Ground Ambulance Case is designed to provide maximum protection in any situation. Impervious to weather, temperature and impact - the rotationally molded shell keeps all your supplies dry, dust free and secure. Twenty military grade latches provide a tight seal along with security and the molded-in ribs keep stacked cases in place no matter how rough the ride. If it's maximum storage and security you seek, then Hardigg has your solution with the Ground Ambulance Case.
