Hardigg BlackBox Shock Mounted Rack - Price List

The Hardigg BlackBox, unlike the competition at this price point is fully airtight and watertight, and boasts significantly better light duty shock performance, upholding Hardigg's industry leading standards.

BlackBox is ideal for light to medium duty field-deployed and sheltered applications up to 45kg. The Hardigg BlackBox is designed to meet ANSI/EIA 310-C for universal rack mounting and exceeds Air Transport Association's Specification 300, Category 1 requirements. All Hardigg Blackbox racks have wheels built into the rear lids to make them a truly portable shock mounted rack case.

PRICE PROMISE: We regularly check our competitors' prices and believe you will not find better prices for these items. If you do find a cheaper price please let us know and for your trouble we will beat it !
